

To whom it may concern;

I am writing in regards to the Low Power FM proposal that could take a station I find extremely valuable to my community. I am a loyal listener of the radiostation K-LOVE. K-LOVE provides an emotional and spiritual support for myself and my family in a world that is full of violence and immorality. When traveling with my family it is important to us to be able to listen to music that is not promoting sex, violence, and hate. K-LOVE is a nice reprieve from the immorality that runs rapid in our community today. K-LOVE is an asset to the community that ALL people can turn to in time of need. It is a radio station that promotes love and community involvement. K-LOVE encourages it's listeners to be active in their community. K-LOVE also holds, sponsors, and promotes many community activities that promote healthy families and healthy living. To lose K-LOVE would be detrimental to the community it serves.

Thank you for your consideration on this issue.

Sincerely,

Kamille M. Mora
